

## Proposed Gage Subarea Shop

The KDOT Gage subarea complex is located at 101 SW Gage Boulevard, Topeka, Kansas 66606-2021.

This proposed facility will consist of replacing the subarea shop with approximately 13,500 square feet of office and vehicle storage and consolidation of other DOT functions on the site. It may also include demolition of other structures on the site to accommodate the subarea shop program.

The subarea will house up to 25 staff and the vehicle storage should to accommodate 8 KDOT dump trucks.

### Usage:

Uses for the building include: material and parts storage and a garage for subarea crew trucks. The bays are sized to house tandem axle dump trucks equipped with snow plows and material spreaders. The configuration of the building will generally be left to the architect to decide based on the site parameters and budget limitations, but the equipment bays shall be drive through bays.
